RESMED

Mirage™ SoftGel

NASAL MASK

Instant Softness, Lasting Comfort

The Mirage SoftGel Nasal Mask offers unprecedented softness and comfort. The DoubleGel cushion, with its clear gel layer provides comfort, while the blue gel layer maintains support and stability.

Backed by ResMed's renowned performance and quality, the frame accommodates two interchangeable cushions—Mirage SoftGel and Mirage Activa™ LT.

- **Soft, inviting, makes a great 'first impression'**
- **Excellent for new users**
- **Comfort throughout therapy**
- **Renowned quality and reliability**

FOR THE PATIENT

Soft comfort meets stability

- DoubleGel cushion combines softness with stability.

A good night's sleep

- An array of small, built-in vents diffuses air quietly providing a peaceful environment for patients and their bed partners.

Fitting made easier

- The Mirage dual-wall with the DoubleGel cushion makes fitting simple.
- Cushion conforms to the unique facial contours of each individual, creating a comfortable fit.

Interchangeable cushions offer choice

- Choice of cushions makes it easier to remain compliant without completely replacing the mask.

FOR THE PROFESSIONAL

Customer satisfaction, added compliance

- Increased therapy acceptance through first-time fit—lasting comfort.
- Comprehensive user support package.

Improved efficiencies

- Interchangeable cushions and shared components improve inventory efficiencies, reducing costs, fitting and training times.
- A multi-patient, multi-use mask, Mirage SoftGel is suitable for repeated use in the lab.
- Extremely durable, Mirage SoftGel ensures consistent performance with fewer callbacks.

PATIENT-PREFERRED

- 8 out of 10 patients rate Mirage SoftGel better in comfort and durability than other gel masks*.
- 3 out of 4 patients rate their sleep better with Mirage SoftGel*.

* ResMed User Evaluation Trials—Mirage SoftGel vs Competitor Gel Masks

ResMed
