Therapy systems

ResMed's wide range of therapy devices has been specifically designed to cater for a variety of treatment needs. And because it's from ResMed, you know you're getting quality, comfort and performance.

All devices in the S9 Series include:

- **Climate Control** (also available separately with the H5i™ Heated Humidifier and heated ClimateLine™ tube) lifts humidification and comfort to a new level
- **Easy-Breathe EPR** (expiratory pressure relief) delivers a comfortable breathing experience for the user
- **Enhanced Easy-Breathe motor** lowers radiated and conducted noise
- **Large colour LCD display** for easy navigation
- **Sleep Quality Indicator** allows for quick and easy therapy monitoring
- **SlimLine™** and **ClimateLine tubes** provide comfort and freedom of movement.

ResMed offers an extended five-year warranty on your S9 sleep therapy device for only **RRP: AUD \$99, NZD \$109 + GST**, which includes water protection.

SLEEP THERAPY DEVICES

S9 AutoSet

RRP: AUD \$2099, NZD \$2199 + GST

- ResMed's premium APAP (automatic positive airway pressure) sleep therapy device.
- Enhanced AutoSet™ algorithm delivers tailored, breath-by-breath therapy and maintains ideal pressure.
- Central Sleep Apnea detection differentiates between open and closed airway events.

S9 Elite

RRP: AUD \$1199, NZD \$1299 + GST

- ResMed's premium CPAP (continuous positive airway pressure) sleep therapy device.
- Central Sleep Apnea detection differentiates between open and closed airway events.

S9 Escape

RRP: AUD \$1099, NZD \$1199 + GST

- ResMed's standard CPAP (continuous positive airway pressure) sleep therapy device.

S9™ Series
More. Comfort.

ADAPTIVE SERVO-VENTILATION (ASV)

VPAP Adapt

RRP: AUD \$3999, NZD \$3999 + GST

- VPAP Adapt with the PaceWave™ algorithm is an adaptive servo-ventilator that is designed to treat a range of central breathing disorders.
- Improving treatment efficacy, PaceWave ASV technology automatically adapts to obstructive and central sleep apnea events.

HUMIDIFICATION

H5i Heated Humidifier with ClimateLine tubing

RRP: AUD \$349, NZD \$379 + GST

- Seamlessly integrating with any S9 or VPAP device, the H5i features inbuilt intelligence to deliver constant humidity, while eliminating rainout.
- ResMed's exclusive **Climate Control** feature is activated when the H5i is combined with the ClimateLine (or larger ClimateLine^{MAX}) heated tube.
- Lifting humidification and comfort to a new level, Climate Control delivers and maintains your personalised comfort settings, even as ambient conditions change throughout the night.

H5i Heated Humidifier

ClimateLine Tube

A wide range of masks

ResMed's innovative masks and nasal pillows provide a personalised fit and a high degree of comfort. All come with a comprehensive user guide outlining fitting and care instructions.

All ResMed masks feature set-and-forget headgear, making it easy to attach and re-attach the mask without losing the desired headgear settings.

NASAL MASKS

Swift FX Nano

Small in size, big on comfort

RRP: AUD \$289, NZD \$310 + GST

- The lightness of the Swift FX pillows mask, with the natural breathing comfort of a soft, low-profile nasal mask.
- Minimal headgear provides a clear line of sight.
- Rotating ball joint helps maintain seal as you move during sleep.
- With only three parts, it's easy to use and reassemble after cleaning.

Sizes: Standard, Wide

Swift FX Nano for Her

Designed for women

RRP: AUD \$289, NZD \$310 + GST

- Features a specially designed cushion and headgear tailored for women.
- Styled in soft pink tones on the headgear, soft wraps and tube assembly.

Size: Small

NASAL MASKS (cont.)

Mirage FX

Simple to use, easy to fit

RRP: AUD \$259, NZD \$269 + GST

- Delivers comfort with ease of use.
- Mirage FX Spring Air™ cushion provides even pressure distribution, with extra softness at the sensitive nasal bridge.

Sizes: Standard, Wide

Mirage FX for Her

Designed for women

RRP: AUD \$259, NZD \$269 + GST

- All the streamlined functionality of the Mirage FX, but with a distinct feminine touch.
- Allows for easy hair management, whether hair is short, long or tied.

Size: Standard

Mirage SoftGel

RRP: AUD \$299, NZD \$329 + GST

- DoubleGel cushion with clear and blue gel layers for extra comfort and support.
- Frame accommodates Mirage SoftGel and Mirage Activa LT cushions.

Sizes: Small, Medium, Large, Wide

Mirage Activa LT

RRP: AUD \$269, NZD \$289 + GST

- Designed for 'active' sleepers, the unique cushion with ActiveCell™ Technology expands and contracts to suit therapy pressure changes and movement.

Sizes: Small, Medium, Large, Wide

NASAL PILLOW SYSTEMS

Swift FX

There's nothing hard about it

RRP: AUD \$289, NZD \$310 + GST

- From the tips of the nasal pillows to the flexible silicone headgear and the extra comfort of Soft Wraps, Swift FX is all-soft comfort.
- Soft and easy to use, there's nothing hard about Swift FX.

Packed with three pillow sizes: Small, Medium and Large. Extra-Small pillows are available separately.

Swift FX Bella

Style and design with women in mind

RRP: AUD \$289, NZD \$310 + GST

- Accommodates a wide variety of hairstyles.
- X-Small pillow size caters for a female fit range.
- Fully interchangeable with Swift FX for Her headgear.

Packed with three pillow sizes: X-Small, Small and Medium. Large pillows are available separately.

PAEDIATRIC MASK

Pixi™

Designed especially for children

RRP: AUD \$249, NZD \$259 + GST

- Uniquely constructed using the facial profile data of children aged two and over, Pixi is not merely a scaled-down adult mask.
- Taking into account the bone structure, facial characteristics and skin sensitivity of children, Pixi is designed to minimise pressure on children's soft faces.

Size: Standard

FULL FACE MASKS

Quattro Air

The lighter way to better sleep

RRP: AUD \$299, NZD \$329 + GST

- Building on the performance, reliability and quality of ResMed's renowned Mirage Quattro full face mask, Quattro Air is 45% lighter* without compromising on comfort.
- Provides a clear field of vision and less bulk on the face than other full face masks.
- Made up of only four parts, it's easy to use, disassemble and reassemble after cleaning.

* The Medium size of Quattro Air is 45% lighter than the Medium size of Mirage Quattro.

Sizes: X-Small, Small, Medium, Large

FULL FACE MASKS (cont.)

Quattro FX

Less mask. More you.

RRP: AUD \$299, NZD \$329 + GST

- Quattro FX is for those who want reliability, more freedom, openness and choice.
- The Spring Air cushion, Spring frame and tension-reducing headgear offer the stability and angular adjustment provided by conventional forehead support.
- The Swing Seal fitting technique makes sizing, fitting and sealing straightforward.

Sizes: Small, Medium, Large

Quattro Air for Her

Designed for women

RRP: AUD \$299, NZD \$329 + GST

- All the functionality of Quattro Air plus a fit range suitable for women's facial shapes and head sizes.
- The smaller headgear accommodates a variety of hairstyles, with the option to wear hair above or below the headgear strap.
- Finished in a soft, stylish grey and pink colour scheme.

Sizes: X-Small, Small, Medium

Mirage Quattro

Fourth generation technology

RRP: AUD \$299, NZD \$329 + GST

- Inspired by reality, designed for diversity, Mirage Quattro fits over 95% of users.
- ResMed's renowned Mirage™ dual-wall cushion with Spring Air Technology accommodates movement during sleep and provides a solution for jaw drop.

Sizes: X-Small, Small, Medium, Large

DEVICE ACCESSORIES

ResMed Power Station II (RPS II)

Battery pack* RRP: AUD \$549, NZD \$599 + GST

- This all-in-one battery pack provides convenient power and backup power for ResMed's therapy devices, without the need for a separate converter.
- Ideal for travel or where a power source is unreliable, the RPS II allows you to take your therapy equipment anywhere, knowing you can use your device and continue to benefit from treatment.

* Includes battery, Power Supply Unit adapter and carry bag

ResMed Power Supply Unit (PSU)

30W RRP: AUD \$29.95, NZD \$35 + GST

90W RRP: AUD \$49.95, NZD \$56 + GST

- ResMed's new PSU is 21% smaller and 24% lighter than the previous model.
- With better cord management and improved thermal, electrical and mechanical design, the new PSU is more efficient and easier to handle.
- Ideal for travel and available in 30W and 90W.

MASK ACCESSORIES

Gecko Nasal Pad

Helps keep patients comfortable and compliant

RRP: AUD \$25, NZD \$27 + GST

- Issues with mask seal or skin sensitivity may get in the way of achieving comfortable, stable therapy.
- Placed across the nasal bridge under the mask, Gecko is a soft gel strip that may help:
 - reduce skin breakdown and facial sores
 - improve overall mask comfort
 - minimise mask leak.

Ideally, Gecko should be replaced monthly.

Sizes: Small, Large

CPAP Mask Wipes

For a fresh, clean mask every day

Tub: RRP AUD \$12, NZD \$14 + GST

Travel pack: RRP AUD \$8, NZD \$9 + GST

- With ResMed's CPAP Mask Wipes, keeping your mask fresh and clean is fast and easy.
- As well as cleaning your mask weekly (or according to your user guide), CPAP Mask Wipes can be used daily to wipe your mask clean from any residue from the night before.
- Available in a tub of 62 wipes or a handy travel pack with 14 sachet-packed wipes.
