**PAEDIATRIC MASK**

**Pixi™**
*Designed especially for kids*
*RRP: AUD $249, NZD $259 + GST*

- Uniquely constructed using the anthropometric data of children aged two and over, Pixi is not merely a scaled down adult mask.
- Taking into account the bone structure, facial characteristics and skin sensitivity of children, the mask is designed to minimise pressure on soft faces.

*Size: Standard*

**FULL FACE MASKS**

**Quattro FX**
*Less mask. More you.*
*RRP: AUD $299, NZD $329 + GST*

- Quattro FX is a smaller, lighter package ... for those who want reliability, more freedom, openness and choice.
- The Spring Air™ cushion, Spring frame and tension-reducing headgear offer the stability and angular adjustment provided by conventional forehead support.
- Custom-made sizing tool and Swing Seal fitting technique make sizing, fitting and sealing straightforward.

*Sizes: Small, Medium, Large*

**MASK ACCESSORIES**

**Gecko™ Nasal Pad**
*Helps keep patients comfortable and compliant*
*RRP: AUD $25, NZD $27 + GST*

Issues with mask seal or skin sensitivity may get in the way of achieving comfortable, effective therapy. Placed across the nasal bridge under the mask, Gecko is a soft gel strip that may help:
- reduce skin breakdown and facial sores
- improve overall mask comfort
- minimise mask leak.

Ideally, Gecko should be replaced monthly.

*Sizes: Small, Large*

---

*All ResMed nasal and full face masks feature set-and-forget headgear clips or loops, making it easy to attach and re-attach the mask without losing your desired headgear settings.*
