Style and design with her in mind

User Information

Swift™ FX Bella
NASAL PILLOWS SYSTEM

So light, compact and unobtrusive ...

There's nothing hard about it. Swift™ FX Bella is so comfortably soft to wear and simple to use, it feels like it's barely there!

Minimal contact on the face and clever, discreet design make therapy less intimidating and easier to accept.

It accommodates a wide variety of hairstyles too.

Catering for your own personal style

Whether you have long or short hair, Swift FX Bella is comfortable and convenient ... and it's finished in a stylish feminine colour scheme, just for you.

Nasal pillows in a range of sizes (XS, S and M) come packaged with the mask system to fit most women.

Pillows for her ...

Compatible with Swift FX for Her

Swift FX Bella is fully interchangeable with Swift FX for Her (both have the same pillows and tubing) to provide you with another headgear option.

Efficacy and comfort

The Swift FX Bella mask combines sophisticated design and unsurpassed cushion technology for a comfortable fit and a dependable seal.

Quiet performance

Innovative vent design diffuses airflow for quiet mask performance—only 25 dBA.*

Choice of sleeping positions

Swift FX Bella is stable during movement as you sleep—so you can sleep on your side or your back, positioning the tube as desired.
